

BREAKING THROUGH COACHING

AWAKE YOUR PURPOSE, BREAK BARRIERS, UNLEASH YOUR POTENTIAL, INCREASE YOUR IMPACT.

Each of us faces times when we feel blocked, stuck, or overwhelmed by fear, negative thinking, confusion, or isolation. Do you feel lost and far from loving yourself, unable to find your light or purpose? Has work become a grind rather than the exciting and fulfilling experience it used to be?

My name is Clara Lucia Jaramillo-Carrier, M.A., PCC., and I am devoted to helping you leverage your unique purpose so you can change, achieve your goals, and have a more significant impact on the world. I meet you right where you are and offer you a safe, empathetic, and stimulating atmosphere to get in touch with your imperfect humanity.

I work best with decisive clients who take bold action and desire different results. Get ready to discover what's holding you back so you can break through, achieve your goals, and create sustained transformations through:

BREAKING THROUGH COACHING

Creating a world with more humanity by evoking people's purpose, positive mindset, and possibilities.

"I chose coaching as an ongoing vocation to serve, validate, and empower others to reignite their purpose and gain deeper insight into what they want for life and career success so they can change, achieve their goals, and have a more significant impact on the world." *Clara Lucia Jaramillo-Carrion*

Clients' Success

"I'm more confidently showing up at meetings, delegating, and voicing my opinions."

"I am becoming a critical thinker, distinguishing from limiting beliefs, trusting others, and making informed decisions."

"I have experienced resounding changes in how I face and approach problems and challenges since I started my work with Coach Clara Lucia."

"I'm pursuing excellence, not perfection, making mistakes, celebrating more, and finding joy."
